SAVE MONEY WITH RAYES BOILER SUMMER SERVICE!

Rayes Boiler Company offers Summer Service and Preventative Maintenance to get your boiler running at peak performance before winter. Summer service allows our qualified technicians to notify you of any necessary repair work before the next heating season.

The following is provided as part of this service:

Fireside Cleaning

- Clean all flues and tube sheets.
- Wash coat all brick work and refractory with compound.

Waterside Cleaning

- Drain and flush waterside of boiler.
- Clean float chambers in water columns.
- Prepare boiler for insurance inspection, if required.

Burner

- Check and clean all component parts of burner.
- Make necessary adjustments to burner.
- Check all unit operations.

Let Rayes get your boiler ready and operating at its highest efficiency now so you don't have to worry about it all this summer. Call us today at 847.675.6655 to schedule an appointment and start saving money today!
